"This training has been outstanding to prepare bilingual individuals to interpret in the hospital. I encourage them to attend before they start working with us."

Isbelia Burnham, Language Services Manager
St. Luke's Regional Medical Center
Boise, Idaho

"I was impressed with the instructor's professionalism and concern for each participant."

Bill Thomas M.S.W., Director of Social Services
Portneuf Medical Center
Pocatello, Idaho

"This course was much more hands-on and effective than a week-long medical interpretation course that I attended."

Monica Muñoz, Interpreter Coordinator
Eastern Idaho Regional Medical Center
Idaho Falls, Idaho

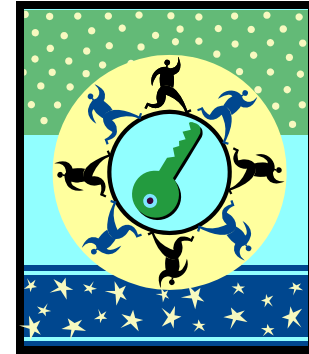

"The trainer combines his education and extensive experience to develop the skills of current and future interpreters. His language skills are that of a native Spanish speaker."

Malena Rodríguez R.N., Interpreter Coordinator
Magic Valley Regional Medical Center
Twin Falls, Idaho

"The workshop is organized in such a way that novice and veteran interpreters work together and learn from each other and the presenter."

Liz Moore, Translation Department Director
Holy Rosary Medical Center
Ontario, Oregon
